

CATHRYN FULLER,

Plaintiff,

V.

**FARMERS INSURANCE COMPANY,
INC.,**

Defendant.

Case No.: 19-0327-cv-FJG

PLAINTIFF'S MOTION FOR SPECIAL TRIAL SETTING

COMES NOW Plaintiff, by and through her attorneys of record, and moves the Court for a special trial setting, in support of which she states as follows:

1. The instant cause was filed in the Circuit Court of Jackson County, Missouri on the 4th day of April 2018, before it was removed to this Court on the 26th day of April 2019.
2. After removal, the parties submitted their proposed Scheduling Order to the Court on the 14th day of June 2019. Their proposed Scheduling Order called for this matter to be tried in April of 2020.
3. Thereafter, the Court entered its own Scheduling Order on June 14, 2019, which did not set this cause for trial, but the Order stated that, “Trial will be set by future Order.”
4. Defendant filed its Motion for Summary Judgment on the 28th day of February 2020. The parties filed their respective briefs with the Court, supporting or opposing Defendant’s Motion. This Court entered its Order, overruling Defendant’s Motion for Summary Judgment on the 29th day of September 2020, for which reason it is now appropriate to set this matter for trial.
5. Plaintiff anticipates it will require approximately five days to try the case *sub judice*. The parties are ready to try this cause, and the Court has been trying jury trials recently,

despite the Covid pandemic.

WHEREFORE, Plaintiff prays this Court to enter an Order setting the above-captioned cause for trial, and for such other and further relief as this Court deems just and proper.

Respectfully submitted,
